WORKSHOP

DESCRIPTION

THE PERSONAL STATEMENT

The personal statement is one of the most significant parts of the college application process. Therefore, it is important for every student to take this workshop in order to better understand what it takes to write a great and convincing college personal statement.

FINANCIAL AID FOR COLLEGE

College is expensive and money surely is hard to come by. That is why this workshop is important to gain valuable information about financial aid and gain insight on how to fund your post-secondary education.

ENVISION YOUR COLLEGE

College is such a unique and diverse experience that many students can get lost. This course will help you envision college in helpful ways that will benefit your college plans, goals, and aspirations!

JOBS, RESUMES, AND CAREERS

This workshop will help you create your own resume, prepare for job interviews, and learn about finding the right career for you. Sign up for this workshop so you can come closer to realizing your dream job or career.

SAT CRASH COURSE

This is a crash course on the new SAT test. This workshop will teach you important SAT information, the do's/don'ts of SAT, and you will even take a sample SAT test. Sign up now in order to boost your SAT score!

STEM CAREERS and UCSF FIELD TRIP

Signing up for this workshop will give you an introduction into the incredible world of STEM Careers. This includes a field trip to UCSF and will provide a unique look into STEM Careers. Sign up now because space is limited!
